Art Unit: 2826

Serial Number: 10/736244 Attorney's Docket #: 2269-4885.1US01-0252.01/US

Filing Date: 12/15/2003; claimed foreign priority to 6/2/2002

Applicant: Poo et al.

Examiner: Alexander Williams

Applicant's election without traverse of species 3, subspecies 3B of Applicant's detailed species listing of figures 7, 11 and 14 (claims 1 to 45), filed 10/1/2004, has been acknowledged.

This application contains claims 46 to 52 drawn to an invention non-elected without traverse.

Applicant's Pre-Amendment filed 3/4/2004 has been acknowledged.

Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

The title of the invention is not descriptive. A new title is required that is clearly indicative of the invention to which the claims are directed.

The lengthy specification has not been checked to the extent necessary to determine the presence of all possible minor errors. Applicant's cooperation is requested in correcting any errors of which applicant may become aware in the specification.

The disclosure is objected to under 37 CFR 1.71, as being so incomprehensible as to preclude a reasonable search of the prior art by the examiner. For example, the following items are not understood: The disclosure is objected to because of the following informalities: It appears that some of the reference numbers in the drawing are not the same as described in the specification. Each reference number described in the specification hould be shown in the

Art Unit: 2826

figure in which it is described.

Appropriate correction is required.

The drawings are objected to because all the specification reference numbers are not shown in the drawings. For example, reference numbers 8, 13, 15, 15', 15", 17 etc.

Correction is required.

Applicant is required to submit an amendment which clarifies the disclosure so that the examiner may make a proper comparison of the invention with the prior art.

Applicant should be careful not to introduce any new matter into the disclosure (i.e., matter which is not supported by the disclosure as originally filed).

A shortened statutory period for reply to this action is set to expire ONE MONTH or THIRTY DAYS, whichever is longer, from the mailing date of this letter.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alexander O Williams whose telephone number is (571) 272 1924. The examiner can normally be reached on M-F 6:30-7:00PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Nathan Flynn can be reached on (571) 272 1915. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
